

Dear Colleagues,

UKNSCN INTERIM BULLETIN – IMMINENT DEADLINE FOR POSTER ABSTRACTS FOR UKNSCN CONFERENCE: 9TH JUNE

You are gently reminded that the deadline for the submission of poster abstracts for the UKNSCN 2010 conference in Nottingham next month (12-14 July) is **imminent on 9th June**. If you wish to ensure being in the competition for one of the plenary speaker slots available for poster presenters, and to have your poster abstract included in the conference booklet, please register on-line by 9th June and send your abstract to Ro Hallam at Dynamic Events Ltd (e-mail: ro.hallam@dynamic-events.co.uk). Poster presenters who register on-line after 9th June will still be able to have a poster display at the conference, but will not be included in the speaker competition and may not have their abstracts included in the conference booklet due to print deadlines. [Conference On-line Registration](#)

With **6 weeks** to go to the third UKNSCN Annual Stem Cell Science Conference in Nottingham in July, delegate places are **filling fast** and prospective delegates are reminded that **on-line registration closes at 12 noon on 22 June**. [Register now](#) to avoid missing out on a place.

Trade Exhibition for Industry

All 40 exhibition stands are now booked for the conference. You can view a list of sponsors and exhibitors who have already booked stands via the registration site at the link below. However, Dynamic Events is investigating a possible extension to the exhibition, and so interested exhibitors should contact Ro Hallam for an update (e-mail: ro.hallam@dynamic-events.co.uk, or telephone 01797 223626).
