

Dear Colleagues,

**UKNSCN INTERIM BULLETIN – REGISTER SOON FOR UKNSCN ANNUAL STEM CELLS CONFERENCE 12-14 JULY, JUST 14 WEEKS TO GO!**

With just **14 weeks** to go to the UKNSCN Annual Stem Cell Science Conference in Nottingham in July, now is a good time to register on-line with places filling steadily. Don't forget that your registration fee includes two nights' accommodation (should you require it) for 12<sup>th</sup> and 13<sup>th</sup> July on the Nottingham campus, and that there are significantly reduced fees for UK-based PhD students who present a poster at the conference with the endorsement of their supervisor. All poster presenters also have the opportunity to be selected by experts on the conference steering group to take up one of the plenary speaker slots which are reserved for those presenting the best poster abstracts. Please view the up-to-date programme in the attached file, together with the conference poster. You can register on-line at the link below. Any enquiries concerning registration and the conference in general should be addressed to UKNSCN's conference organiser Ro Hallam at Dynamic Events Ltd, who can be contacted at [ro.hallam@dynamic-events.co.uk](mailto:ro.hallam@dynamic-events.co.uk), or by telephone on (01797) 223626. If you are enquiring from overseas, the phone number is +44-1797-223626.

[Conference On-line Registration](#)

Yours sincerely,

Ben Sykes  
Executive Director, UKNSCN
