

Dear Colleagues,

## **UKNSCN INTERIM BULLETIN – EU FP7 EuroSyStem PROJECT FUNDING CALL FOR STEM CELL PROJECTS**

The European Framework Programme 7 project on systems biology in stem cells (EuroSyStem) has just launched an open funding call for its *Innovative Project Awards*. This is open to emerging investigators from the wider European Economic Area (EEA) and up five awards will be made for projects with a duration of up to 2 years. A maximum award of €75,000 (£67,000) is available to each successful project. The closing date for full applications is **29 January 2010**, **though prospective applicants must notify the EuroSyStem project office of their project title and intention to submit by 15<sup>th</sup> January 2010.**

Full details, including the application form, are available via the [EuroSyStem website](#). Enquiries concerning this call should be directed to the EuroSyStem project office at [eurosystem-office@cscr.cam.ac.uk](mailto:eurosystem-office@cscr.cam.ac.uk).

Yours sincerely,

Ben Sykes  
UKNSCN Executive Director
